Final Tips

Scholarship selection committees may have hundreds of personal statements to review. It is YOUR job to get their attention. Remember to:

- **Think before you write.** Brainstorm to generate some good ideas and create an outline to help you get going.
- **Be original and be creative in your answers.** Show, don't tell. Use examples to individualize your statement. Demonstrate the point you want to make. Avoid vagueness to make a strong impression.
- **Proofread.** This is very important! You do not want to have any typos on your statement. Check spelling and grammar. Share your statement with a friend, parents, or teachers. Another pair of eyes can catch errors you might miss!
- **Create your portrait.** By doing this on paper, you create a vivid portrait that will depict the person behind the grades, activities and awards. If a committee member feels like he or she knows you, you have done your job and created a powerful emotional connection that elevates your application, and makes it stand out from others.

If you have submitted your BCCF Scholarship application in error, please contact BCCF staff. We allow the application to be re-opened only once before 12:00 pm EST on the scheduled deadline date. Applications are allowed to be re-opened only one time. There will be no exceptions for re-opening a submitted scholarship application after 12:00 pm EST on the scheduled deadline date.

- **Gather attachments before uploading.** All BCCF applications will require the following attachments:
 - **FAFSA form with Student Aid Index (SAI)**
 - **Resume (in the specified BCCF format, indicated in these instructions, with templates also available on BCCF's website)**
 - **BCCF Recommendation form**

- **High School Transcript**
 - **College Transcript, if applicable**
- **Review the additional attachment list.** Look and see if you would qualify for scholarship awards by reviewing the criteria for each additional attachment. (Ie. Open to Coldwater High School students, Open to St. Joesph County residents).
